

Dear *Chief* Supporter,

After coming off a great season in 2008, where the Chiefs made it to the second round of the playoffs, expectations are high for the 2009 season. The hard work that our student athletes have put in; both in the weight room and classroom this off-season will help to continue the tradition of excellence that has been established at Sequoyah High School.

My name is James Teter and I am the new Head Football Coach at Sequoyah High School. Throughout the years Sequoyah High School football has built a reputation as one of the best programs in Cherokee County and in the north Georgia area. At Sequoyah our program is always looking for ways to provide our student athletes and the overall program with the best opportunity for success. As Head Coach it is my job to address all of the needs of our program and to make sure that our athletes are safe on the field and create one of the most valuable and rewarding experiences possible. With our economy in the shape that it is in and the rising costs to run a top quality program it is becoming extremely difficult to achieve this task without the help of others. This is why we are reaching out to our community for your help as a sponsor for one of our athletes.

Any contribution you can provide will make a big difference in keeping our student athletes focused on their pursuit of excellence. Donations earned will go towards training equipment, team apparel, team camps, travel expenses and other non-budgeted items. In return for your generous contribution, we will be sending a personal thank you letter that reflects your tax-deductible gift. Any donation is greatly appreciated and encouraged. Please make the decision to be part of the growth and development of our student athletes who are striving hard to achieve success in the classroom as well as on the field.

Thank you in advance for your support. Through your generosity we will make the experience of being a *Chief* athlete a positive one.

*Go Chiefs!*

James Teter,  
Head Football Coach  
Sequoyah High School

**Dear \_\_\_\_\_,**

As a student athlete I have been working hard to become a member the Sequoyah High School Football Team. Becoming a High School football player requires great determination. I have to maintain passing grades, display proper behavior in the classroom and attend workouts during the off-season. There are also financial requirements associated with playing football. The purpose of this letter is to ask for your assistance in covering my expenses for the 2009 football season.

I am seeking your support to help make my experience in the Sequoyah High School Football Program the best possible. Any contributions you are able to provide will make a big difference in helping me fulfill my goal of becoming a Sequoyah Chief Football player. As explained in Coach Teter's letter, donations earned will go towards training equipment, team apparel, travel expenses and other non-budgeted items. Support in this fundraising event is essential in keeping each of us physically fit and as injury free as possible, while competing in football at Sequoyah High School. Any donation is greatly appreciated and encouraged. Please make the decision to be part of my growth and development as a student athlete.

I appreciate any donation you can make. Your support is instrumental in meeting the growing needs of all of our student athletes at Sequoyah High School.
