

Dear Sponsors

First let me introduce myself, my name is James Teter and I am the new head football coach at Sequoyah High School.

Our goal at Sequoyah High School will be to help young men achieve academic and athletic excellence by providing them a rigorous and challenging environment helping them become better students, athletes and citizens who understand the need to contribute to the community.

Trust, Accountability and Commitment are paramount. We expect every player on the football team to give his best effort for the honor of his team, Sequoyah High School and our community. Above all, we expect our players to display great sportsmanship, character and class, regardless of the outcome.

The Sequoyah High School touchdown clubs provide numerous opportunities for parents and the community to be involved in our athletic program. We realize that difficult economic times may cause everyone to pause when making contributions; therefore, we need your help both financially and personally now more than ever. Please see attached information package or contact our booster president, Brad Howard, to see how you can contribute to our program.

Last year was a tremendous success. With a record of 10-2 and a win in the first round of the state playoffs, the Chiefs soared to one the most successful football seasons in recent Sequoyah history. Expectations are equally high for the upcoming season and I assure you we are working diligently to make it a success. We expect much from our athletes and through strong parental and community support have created a physical and mental environment that is designed for maximum performance. I look forward to seeing all of you at each game in support of our youth, middle and high school football programs. Go Chiefs!

Sincerely,

James Teter,

Head Football Coach
